CAPABILITIES

As the only North American language agency to be a three-time winner of the independent ValueStar award for Client Satisfaction, Auerbach International is a small-business, full-service language solutions provider, working in the US and worldwide. We supply human translations, interpretations, desktop publishing (layout), dubbing, voiceovers, subtitling, transcriptions, transliterations, multimedia production, acculturation and cultural consulting from or into 80 world languages, in any subject, and with the highest quality and fastest delivery times.

The translation process involves: a native-language, subject-specific human translator (up to 3500 new words per day per person); a second human translator for QA review (up to 5000 words per day per person); proofreading (up to 10,000 words per person per day); formatting; and use of Translation Memory software for consistency and price discounting.

Translations of: Documents, brochures, ads, books, articles, manuals, programs, policies, plans, specs, directions, instructions, contracts, patents, depositions, certificates, records, transcripts, reports, insurance forms, emails etc.

Interpretations for: Meetings, conferences, escorted visits, seminars and interviews. Consecutive or Simultaneous. Class A interpreters. Conference or meeting transmitters and equipment.

Transcriptions of: Tapes, CDs and multimedia of any type.

Localization of: Software and websites.

Subjects covered: Everything from aerospace to zoology.

OTHER UNIQUENESSES

1. For almost 20 years, we have provided solutions and worked delivery miracles which other agencies thought impossible.
2. Flexibility to provide full spectrum of linguistic services in 80 languages and all subjects.
3. Can provide services anywhere — nationwide or worldwide — with established set-up timeframe.
